Experience

JAV Resource Corp Software Engineer	Olongapo City, Philippines Nov. 2025 – Present
• Design and implement automated workflows with n8n to integrate Odoo and Strapi CRM, ensuring seamless data synchronization across platforms. • Help develop and maintain a scalable Next.js e-commerce website that enables customers to conveniently place orders online, supporting the company's sales operations and expanding its digital sales channel. • Develop and optimize website features that improve reliability, customer experience, and the overall online ordering process.	
Buwelo an Exactstar Company Technical Support Representative	SBFZ Subic Bay, Philippines Oct. 2024 – Oct. 2025
• Assists customers via phone call by fixing different technical problems through remote access, using tools like Remote Desktop, Microsoft 365, Zendesk, and Azure for cloud-based applications. • Applied problem-solving and logical thinking to fix issues with networks, printers, software (installing/updating), and both Microsoft and cloud accounts.	
Hokei Subic Corporation Frontend Developer	SBFZ Subic Bay, Philippines February 2024 – July 2024
• Developed responsive web applications using Next.js, Tailwind CSS, and Socket.io with REST API methods. • Promoted from intern to full-time frontend developer by showing strong coding skills, problem-solving abilities, and delivering features on time.
